

dec to go to mill - school out - she got
a job cooking for my mother - Left
Burton up - Had to take everything for
2 or 3 months Groc, etc. Filled out
one day ahead of Uncle Jim's folk
camped at sand dunes - didn't
like her with Jim - Got in
late night Kansas Creek - Dad
let's go back & help Uncle Jim -
Went back w/ Seth - took couple
of teams - Jim was mad when
he saw us coming - "He didn't
need your damn help" - "Yes but
your horses" - "We had enough
water & groc we could have
camped anywhere" That's
what I'm afraid of -
